

Building Our Future Brick By Brick Silent Auction

Dear Friends and Supporters of Highline Academy,

Highline Academy is delighted to announce its **“Building Our Future Brick by Brick Silent Auction”**, which will take place at the **Cherry Creek Marina & Yacht Club on March 13, 2010**. Our small K-8 Denver public charter school is dedicated to educating a diverse population of 450 students. Our school provides a unique integration of a rigorous, content-rich Core Knowledge curriculum with a strong focus on character development and multicultural enrichment. This event is our major annual fundraiser and benefits our children directly by funding areas of greatest need. We would be very grateful for your support in this event.

We are asking our friends, families and members of the community to support this year’s auction in one of two ways.

1. Sponsor a table by making a minimum tax deductible donation of \$250. Your business logo will be prominently displayed on an auction table and included in the auction brochure. In addition, your business will be recognized in our newsletters that reach over 300 families and we will provide a link to your business from our web site.
2. Make a tax deductible donation of merchandise or services from your company, to be auctioned off at the March 13th event.

A Donor form is attached for each option.

For items to be included in our event, the donor form and donation item must be received no later than February 12, 2010. You can submit the donation to any Auction Team member, or mail it directly to Highline Academy Attn: Auction Team at the address listed above.

Thank you for considering our “Building Our Future Brick by Brick Silent Auction” as an opportunity to promote your business and to invest in the education of our wonderful students.

Should you have any questions, please feel free to contact me directly at 303-250-3416 or via email at rdlarm@yahoo.com.

Sincerely,

Robyn Larm
Auction Chair
